| First Responder Fatalities: 0 | | First Responder Injuries: 3 |
| Civilian Fatalities: 0 | | Civilian Injuries: 2 |
| Structures Threatened: 20,414 | | Structures Damaged: 39 |
| Single Residences Destroyed: 472 | Commercial Properties Destroyed: 11 | Other Minor Structures Destroyed: 170 |

CURRENT SITUATION

Situation Summary:

Humidity recovery remained poor overnight and allowed the fire to continue to actively burn. Fuel conditions remain critical and we still see active crown runs and group torching in the northeastern divisions of the fire. Current fire behavior is contributing to ember casts traveling up to half a mile. We anticipate early morning winds in the northeast area of the fire. Fire weakened trees continue to present a risk for crews.

Incident Information:

<https://linktr.ee/IMT6>

To better provide public and firefighter safety due to extreme fire conditions throughout Northern California, and strained firefighter resources throughout the Country, the USDA Forest Service Pacific Southwest Region is announcing a temporary closure of nine National Forests. This closure will be effective on August 22, 2021, at 11:59 p.m. through September 6, 2021, at 11:59 p.m. The closure order can be found at <https://tinyurl.com/USFSClosure>.
